My daughter Nell and I went to Bruges and The Netherlands, and it was incredibly enjoyable because I love Vermeer.

I love hanging out with my business partner, Michael Coffindaffer, and his husband, Frank Borsas, in Cherry Grove on Fire Island.

The Weekapaug Inn is heaven on the water: There's nature exploration, a great chef, and wine by the fireplace every night.

My fave drink: Hendrick's gin with Fever-Tree Elderflower Tonic Water, basil leaf, and an orange rind at The Toren hotel in Amsterdam.

I had to give a lecture in Palm Springs, California, about a year ago and completely fell in love. The colors are so crisp because the sun is so bright.

Right now I'm reading *Becoming Steve Jobs* by Rick Tetzeli and Brent Schlender and *Everything I Never Told You* by Celeste Ng.
