## Sneak Peek at Weekapaug

Opened in 1899, the historic [Weekapaug Inn](#) in Weekapaug, Rhode Island is getting a massive makeover. The \$20 million renovation includes downsizing the original 67 rooms to just 27 guest rooms and four Signature Suites. To keep guests toasty in the colder months, the bathrooms will have heated floors and towel racks. Located 1 1/2 hours from Boston and 2 1/2 hours from NYC, Weekapaug is a sister property to nearby [Ocean House](#) and will reopen in October as a year-round luxury retreat.
