NATURALIST

Nature Craft: Enjoy these fun nature-themed activities geared toward adults and older children. In June we offer Beachstone Jewelry, Christmas ornaments & sun catchers.

Tide Pool Walk: Explore the rocky Atlantic shoreline and tide pools with our Naturalist. We will look at seaweeds and creatures that live in amongst the rocks.

Solar Sunday: View the sun through our beautiful scope outfitted with a high-end solar filter. This is a safe way to see sunspots on the surface of the sun.

Fish Netting: Help pull our 25-foot seine net to shore and then pick out little fish, shrimp and crabs. Hands-on fun and learning. Meet at the Boathouse.

Touch Tank: The Naturalist and his staff display live sea creatures that have been collected throughout the day from around the pond.

Microscopic Pond Life: You will be amazed at how much life there is in a drop of pond water. We see larval creatures as well as all kinds of plankton.

Crabbing: Our little bridge by the front entrance is the best crabbing spot in town. Join the Boathouse crew in a hunt for the feisty blue-shell. Great for participants and observers. Meet at Boathouse.

Star Gazing: A big dark sky with lots of stars is a memorable part of the Weekapaug experience. Join the Naturalist after dark to spot the moon and planets through our computerized telescope.

Telescope View from Weekapaug Point: A quick ¼ mile walk to Weekapaug Point, where we train the spotting scope on points of note within our view.

Guided Kayak Paddle: Join our experts for a local-knowledge tour through the most scenic parts of the salt pond.

Nautical Knots: Come learn how to tie some of the most useful sailor's knots. Our knot boards make practicing fun and convenient.

WELLNESS

SUP Paddle Fitness: A unique and fun activity to work on balance, strength and paddling technique. Our expert instructor incorporates elements of stretching and yoga. Stable boards and calm sheltered waters make for a pleasant experience.

Tai Chi: As the most well-known of China's martial arts, the slow, circular-focusing movements relax muscles while promoting proper core alignment and balance.

Yoga with Lisa: Gentle yoga with our most experienced and sensitive instructor. Class may be in the Fenway studio or outside depending on class and conditions.

Naturalist's Beach Walk: Join our naturalist on an hour-long walk down the barrier beach. He will point out wildlife, interesting plants and landmarks. The beach is beautiful and great for walking throughout the year.
