

## [The Weekapaug Inn](#)

**Where:** Weekapaug, Rhode Island

**What's to Love:** The old-school yet updated Relais & Chateaux property sits on scenic Weekapaug Pond and offers a respite from reality: no TVs (unless requested), sumptuous rooms, low-tech games (remember shuffleboard?), as well as sailboats for sunset cruises. Excellent cuisine including local lobster and organic vegetables of sizes/colors you've never seen before.

**Good to Know:** Guests can use the fantastic facilities at the nearby [Ocean House](#), including the spa, squash courts, and dinner on the porch overlooking the Atlantic.
