**The Weekapaug Inn** is already a delicious destination, but now it's a haven for beer lovers, too. The Brewmaster's Social: Gray Sail Brewery is the second in their monthly beer dinners. On May 18, brewers from Westerly's Gray Sail will join the chefs at the inn to create a unique dining experience. The Restaurant at Weekapaug Inn will prepare a casual, three-course family-style meal to be paired with the brewer's choice of beer. *25 Spray Rock Road, Westerly. 637-7600, [www.WeekapaugInn.com](http://www.WeekapaugInn.com)*
