NATURALIST

**Nature Craft:** Enjoy these fun nature-themed activities geared toward adults and older children.

**Tide Pool Walk:** Explore the rocky Atlantic shoreline and tide pools with our Naturalist. We will look at seaweeds and creatures that live in amongst the rocks.

**Solar Sunday:** View the sun through our beautiful scope outfitted with a high-end solar filter. This is a safe way to see sunspots on the surface of the sun.

**Fish Netting:** Help pull our 25-foot seine net to shore and then pick out little fish, shrimp and crabs. Hands-on fun and learning. Meet at the Boathouse.

**Fish Traps:** Ride along on the motorboat with our Naturalist and help pull up several fish traps he monitors. You will see crabs, fish and maybe even a giant eel!

**Touch Tank:** The Naturalist and his staff display live sea creatures that have been collected throughout the day from around the pond.

**Crabbing:** Our little bridge by the front entrance is the best crabbing spot in town. Join the Boathouse crew in a hunt for the feisty blue-shell. Great for participants and observers. Meet at Boathouse.

**Star Gazing:** A big dark sky with lots of stars is a memorable part of the Weekapaug experience. Join the Naturalist after dark to spot the moon and planets through our computerized telescope.

**Telescope View from Weekapaug Point:** A quick ¼ mile walk to Weekapaug Point, where we train the spotting scope on points of note within our view.

**Guided Kayak Paddle:** Join our experts for a local-knowledge tour through the most scenic parts of the salt pond.

**Nautical Knots:** Come learn how to tie some of the most useful sailor's knots. Our knot boards make practicing fun and convenient.

WELLNESS

**Yoga with Lisa:** Gentle yoga with our most experienced and sensitive instructor. Class may be in the Fenway studio or outside depending on class and conditions.
