## Rooms

---

Each of Weekapaug Inn's guestrooms and suites is true to Inn tradition, with each room offering a unique view, layout and furnishings. In restoring and updating the 1939 Inn, the architects sought to merge history with modern sensibility, where a distinct sense of place inhabits every space.

### GUEST ROOMS

Overlooking Quonochontaug Pond or facing the Cove and village of Weekapaug, our guestrooms offer feather-top beds, luxurious linens and premium bath products. Relish in stunning views while enjoying complimentary snacks or room service around the breakfast table. Along with distinct textile patterns for the sewn and upholstered pieces, guests will also find a vintage piece from the old Inn in most of the rooms, as well as modern furnishings to ensure complete comfort.

### FENWAY SUITES

Each of the three Fenway Suites has its own enclosed, furnished deck with deep soaking tub (open seasonally).

With panoramic views of Quonochontaug Pond and located above the swimming pool and fitness center separate from the Inn's main building, each of the three Fenway Suites is designed to be a truly private retreat.
