Birding: We visit local hotspots to seek out our fine feathered friends. Outing will utilize one of the Inn vans, our open-air electric car, or perhaps a boat. Our naturalist will bring along optics and local knowledge.

Guided Kayak Tour: Explore and discover the natural beauty of the Quonochontaug Pond with a guided kayaking tour. Meet the naturalist at the Boathouse and then paddle out into the saltwater pond. Keep an eye out for birds, crabs, and fish as you explore rocky coasts, salt marshes, and sandbars.

Nature Craft: Enjoy these fun nature-themed activities geared toward adults and older children. Driftwood Art and Jewelry Making take place down at the boathouse where you will be able to make all sorts of creations with the help of our boathouse attendants

Stargazing: A big dark sky with lots of stars is a memorable part of the Weekapaug experience. Join the naturalist after dark to spot stars, constellations, planets, and the moon. Our computerized telescope reveals wonders of deep space.

Science Explorers: Weekapaug Inn guests collect water quality data, fish and crab samples, and oyster populations. The information is crowd sourced and shared with conservationist around the world. Join the Weekapaug Citizen Science Explorers Club

Crabbing and Live Touch Tank: Join us at the boathouse to find slimy fun hermit crabs and crabs
