Originally built in 1899, the charming Weekapaug Inn has welcomed guests ever since to its bucolic landscape where a shimmering sun rises over Quonochontaug Pond, Adirondack chairs grace the great lawn, and a verdant chef's garden provides the Inn's kitchen and bar with the freshest of ingredients. 33 guest rooms, including four Signature Suites, range from 250 to 2,000 square feet. Each is distinctive in décor, and equipped with the finest amenities, as well as a mix of original Inn furnishings and up-to-date pieces.

Breakfast, lunch, and dinner are enjoyed in the casually elegant The Restaurant where Executive Chef Andrew Brooks, Sous Chef Cameron Gray and Executive Pastry Chef Jessica Quiet create culinary magic with their seasonal take on New England coastal cuisine. The trio works closely with local growers, farmers, and fishmongers to ensure the finest ingredients are available at peak freshness. The dining room is cozy, with views of the pond and the lawn, and adjacent The Garden Room bar is the spot for casual bistro-style dining. In warmer months, al fresco dining is offered on The Deck and around the pool, and beach snacks, sandwiches and pizza are served at the Bathhouse. S'mores are presented every night in any season (weather permitting).
